Hi Samantha, Due to crazy rainy seasons this year I was only able to sample one site for fish this year. Here is my report and data. The data will also be sent to Andrew and to the UNM Museum as is required. Let me know if I need to send you anything else. My permit is not expiring this year so I believe this is all you need.
Thanks!

Subject: Annual Report Reminder

If you have already submitted your report/ renewal application please disregard this email.

Hello Permittees,
This is a reminder that your annual reports are due for your Scientific Collectors/ Educational permits. *Deadline is January 31, 2016.*

Attached are the data spreadsheets for submitting your annual report and also renewal applications for those who wish to or need to renew. These forms are specific for Scientific vs Educational, please select the one that fits your permit activities.

Educators that also collect salvaged specimens may list them on the scientific spreadsheet separating it from your educational classes.

If you have questions or need assistance, please email DGF.Permits@state.nm.us and we will respond as soon as possible.

Thank you,
Samantha
