Like crunching numbers and fighting crime?

The Metro Law Enforcement Internship Program may be right for you. Graduate accounting students at Anderson have an opportunity to work with the white collar crime unit of either the Albuquerque Police Department or the Bernalillo County Sheriff's Department. This 3-credit accounting elective is offered on a limited basis each fall and spring semester. Students are required to complete an application, be interviewed both internally (UNM) and externally (APD or BCSO) and have a background check. Selected students will then serve as an intern for an entire semester working 7 - 9 hours per week with one of the law enforcement agencies.

For more information on the Metro Law Enforcement Internship Program or for an application, please email Professor Rich Brody, the internship coordinator, at brody@unm.edu. Applications due Monday, November 12.

The AAI Albuquerque Chapter Presents: The Boom in Venture Capital in New Mexico

FAST INFO

Have a question? Ask it at <http://fastinfo.unm.edu> and we'll try our best to answer it here.

Question: I received a letter that said my admission application was placed on hold. What does that mean?

Answer: If you are currently enrolled in any pre-admission coursework, have pending transfer coursework, a borderline GPA, or are planning on taking the CS 150 waiver exam, your application will be placed on hold until those requirements are complete. At the end of the semester, your application will be re-evaluated to see if the pre-admission requirements have been met and then you will receive a letter that will let you know if you have been accepted into the BBA program or not. If your application has been refused, you must reapply to the BBA Program.

Once your application has been finalized at the end of the semester, if you are admissible, you will receive an email from the BBA listserv; that is your indication that you can then register for management courses.

Since this will be your first semester in Anderson, please note that you may not get your first choice of courses, however, all BBA Program applicants are in this same position. Since your first semester schedule will be comprised mainly of Anderson core classes (MGMT 300, 303, 306, etc.), there are multiple sections of these courses available during the fall and spring semesters.

For financial aid or scholarship purposes, you may want to create a "backup schedule" until you're able to register for Anderson courses.

The Anderson Bulletin is published on Mondays. Deadline for inclusion is Wednesday at noon; send complete information to news@mgt.unm.edu or submit online at <http://www.mgt.unm.edu/bulletin/submitContent.asp>.
