FAST INFO

Have a question? Ask it at <http://fastinfo.unm.edu> and we'll try our best to answer it here.

Question: I am a student using LoboWeb to register for classes. After I "Accept Financial Responsibility" and click submit, I see "You are not permitted to register". Why is this?

Answer: There are a few possibilities as to why a student gets that error message:

1. First, verify that the correct Term is selected. If you are attempting to register for the MD Terms and are not an MD student, this message will appear.
2. Make sure that you are registering during your appointment date. To make sure that you are eligible to register, please Click Here.
3. You can also check your Registration Status in LoboWeb. Under the Registration and Records Menu, choose "Registration Status."

If you are still having trouble registering, please call the Registration Office at 277-2916. They will be able to provide a more in depth analysis of your situation.
