## FAST INFO

**Have a question?** Ask it at <http://fastinfo.unm.edu> and we'll try our best to answer it here.

**Question:** My instructor gave me an incomplete for one of my management classes last semester. Will I have to retake the class?

**Answer:** Contact the instructor who assigned the incomplete so that you can find out what you need to do to get it resolved. You will need to complete any outstanding assignments or exams; if you are required to retake the course, you will need to audit it. Once you have met the course requirements, the instructor will complete a Grade Change Form and deliver it to the Records Office. UNM will not allow you to graduate with an incomplete on your transcript, and if you don't resolve it it will eventually convert to an F, so you'll want to make sure to take all necessary steps to remedy it. Students may apply for extensions to allow extra time to resolve incompletes; this process may be completed through the Records and Registration Office.

The Anderson Bulletin is published on Mondays. Deadline for inclusion is Wednesday at noon; send complete information to [news@mgt.unm.edu](mailto:news@mgt.unm.edu) or submit online at <http://www.mgt.unm.edu/bulletin/submitContent.asp>.
