QUICK THOUGHTS

Happy Monday, everyone! We hope that your weekend was restful and productive, which ever was needed more! Make sure to stop by El Centro this week to say hi, study, and/or grab some coffee! Have a fantastic week!

STAFF HIGHLIGHT

Yesenia Ruiz is one of the newest Staff members at El Centro and was involved with El Centro as an undergraduate student. She will be receiving a Master of Arts in Language, Literacy, and Sociocultural Studies, with a concentration in Educational Thought and Sociocultural Studies. She will also be receiving the Race and Social Justice Certification, with the hopes of strengthening her skills in dealing with social justice issues and the empowerment of students of color. She hopes that as a staff member she is able to give back much of what El Centro has given to her. Make sure to set up an appointment with Yesenia if you need anything while at UNM!
