NEWS

Like crunching numbers and fighting crime?

The Metro Law Enforcement Internship Program may be right for you. Graduate accounting students at Anderson have an opportunity to work with the white collar crime unit of either the Albuquerque Police Department or the Bernalillo County Sheriff's Department. This 3-credit accounting elective is offered on a limited basis each fall and spring semester. Students are required to complete an application, be interviewed both internally (UNM) and externally (APD or BCSO) and have a background check. Selected students will then serve as an intern for an entire semester working 7 - 9 hours per week with one of the law enforcement agencies.

For more information on the Metro Law Enforcement Internship Program or for an application, please email Professor Rich Brody, the internship coordinator, at brody@unm.edu. Applications due Monday, November 12.

Marketing students from Anderson host "A One Night Stand With Halo 3," a multiplayer video tournament benefiting the Carrie Tingley Hospital Foundation on November 7 from 6 to 10 pm at the UNM SUB.
