## A Glow on the Horizon

*Don't look now*, but that aurora borealis beginning to glow faintly in the mountain area is the New Mexico Chapter A.I.A. testing out and igniting their plans for the Western Mountain Region's annual conference to be held in Albuquerque on Science in Architecture, come 8-10 October 1959. Nothing that the Western Mountain Region has ever done or enjoyed is likely to be so splendiferous.

Cribbed & Modified by Brittelle

**SAVE  
and BE SAFE**

Specify  
tough Tenite butyrate

**PLASTIC  
TRAFFIC MARKERS**

For Parking Lots  
and City Streets

also traffic cones,  
Vyniline street markers  
and directional markers

**JAY GREAR, INC**

Chapel 7-0131

1222 Edith Blvd. NE
