Early Start Program

The Early Start program (ESP) provides students with a highly supportive initial college experience designed to create academic momentum, a less stressful transition to the college environment, and academic success. Any new freshman admitted to UNM may choose to participate in the ESP program. Freshmen admitted with an ACT composite score of 16, or 790 SAT (Critical Reading and Math combined) or below, must participate in the ESP program and fulfill the following conditions in order to enroll at UNM in freshman status:

Requirements:

- Enroll in one English or math course at a regionally accredited college in the summer term immediately following graduation from high school. ESP participants enrolled in the summer term will have continuing enrollment for fall.
 - Freshmen participating in the ESP program from the Albuquerque area (including online courses).
- Evidence of enrollment in one course (a copy of the student's course schedule as an example), followed by an official college transcript when courses are complete, must be provided to the UNM Admissions Office in order to enroll in fall courses.

Spring 2018 Information Sessions take place on Monday, April 23 and Monday, April 30 in the Student Union Building (Trail Spirit room) from 6 to 7pm.

Benefits

- Build community with classmates/make new friends
- Smaller classes
- Become familiar with campus and the academic and student support resources
- Learn about college academic expectations
- Strong start at UNM

Housing

Campus housing is available during the summer. Contact [UNM Residence Life & Student Housing](#) for more information about summer housing options.

Resources

There are a variety of academic and support resources available for students. You will have the opportunity to take advantage of many resources on campus including, but not limited to the following:

College Enrichment Program	Take advantage of CEP advisors, who want to see you succeed
The Bookstore	Buy books, school supplies, and UNM gear
Tutoring at CAPS	Get help for any course through CAPS
Libraries	Find out more about UNM's 5 libraries
Recreational Services	Work out, sign up for intramural sports
Student Info	Have a question? This is the place to start.
Career Services	Meet with a Career Advisor
Student Employment	Find work on UNM's campus, including work study.
Student Activities Center	Find a student to get involved in organization

Financial Aid

ESP participants who select to take their courses at UNM Albuquerque campus are encouraged to submit the 2017/2018 Free Application for Federal Student Aid (FAFSA) in order to be considered for summer 2018 financial assistance. The 2018/2019 FAFSA is available October 1, 2017.

New Student Orientation

You will be registered for NSO once you have confirmed your place as an ESP participant.

- For students starting classes on June 4, the recommended NSO will take place May 29-May 30.
- If you need any special accommodations please contact [Leslie Armell](#).

FAQ's

I want to participate in ESP, what do I need to do?

Please submit the ESP Acceptance Form that you received to the Office of Admissions.

When does the Early Start Program begin?

ESP at UNM for the Summer 2018 session begins on June 4, 2018. If you're attending CNM or another institution you will need to enroll in the summer term.

When will I attend New Student Orientation?

The ESP Program will reserve your spot! You will receive more information regarding sessions and date at the Information Session.

Contact ESP

- For questions regarding courses, contact Corine Gonzalez at corineg@unm.edu.
- Students identified as ESP participants who experience extenuating circumstances or substantially improve their score may petition for fall enrollment by submitting a written request to the Admissions Office explaining their circumstances. Requests may be emailed to Deborah Kieltyka at deborahk@unm.edu.
