NINE ELECTRO-COUNCILS

GAINED BY GOVERNOR FOR NEW MEXICO.

Delegation in Each County Made Consul on Public Orders for Various Parts of State.

By J. R. Howard

February 19, 1884

The New Mexico Electro-Council Bicentennial Association was organized yesterday in Santa Fe with the following officers:

President, J. R. Howard; Vice-Presidents, J. B. E. Taylor and A. G. A. Shields; Secretary, J. B. E. Taylor; Treasurer, A. G. A. Shields.

The association has been formed for the purpose of promoting the interests of the state of New Mexico and of its people, and of strengthening the ties of union between them.

The first meeting of the association was held yesterday afternoon, when the officers were elected, and the following resolutions were adopted:

That the association be dissolved.

That a special meeting be called for the purpose of electing new officers.

That a committee be appointed to draft a constitution and by-laws for the association.

That the association be continued as a permanent organization.

The association was also authorized to enter into contracts and agreements for the benefit of the state of New Mexico and its people.

The officers of the association are also authorized to act as a committee to superintend the conduct of the association, and to make such rules and regulations as may be necessary for the proper management of the association.

The association was also authorized to enter into contracts and agreements for the benefit of the state of New Mexico and its people.

LOCAL NEWS

C. W. Holman has been appointed by Washington as director of the Red Cross War Fund for the State of New Mexico.

He will visit the county to make final arrangements for the sale of war bonds.

Mr. Holman has been active in the work of the Red Cross in New Mexico and has held various offices in the organization.

He is well known in the state and will be able to give the organization the best possible results.

The sale of war bonds is essential to the success of the Red Cross work in New Mexico.

He will be assisted in his work by the local Red Cross committees and will be able to secure the cooperation of the public.

The Red Cross work is being conducted on a large scale in New Mexico and it is hoped that the sale of war bonds will be successful.

The bonds are available at all times and will be sold at the present price.
