The Health Sciences Library and Informatics Center

The 2005-2006 Season of the UNM Medical Informatics Seminar Series

**** Updated 5/4/2006 ****

- Date:** 2nd and 4th Thursdays of each month
(Beginning Thursday, September 22, 2005)
- Time:** 10-11 AM
- Location:** 228 Conference Room (The 9/22 and 10/13 sessions only are in 226)
Health Sciences Library and Informatics Center
- Target Audience:** All Physicians, Residents, Fellows, Students, and HSC Faculty members
interested in learning more about Medical Informatics
- Schedule of Topics:** <http://hsc.unm.edu/library/kmit/informatics/>

Series Learning Objectives:

- Provide a broad overview of salient topics in the field of Medical Informatics
- Provide a forum that fosters interdisciplinary cross-collaboration for research into areas related to Medical Informatics
- Provide a forum for Medical Informatics fellows (and HSC faculty doing research or with an interest in Medical Informatics) for presentation of Medical Informatics-related research results

Each session will consist of a didactic presentation and interactive discussion; the amount of each will vary depending on the topic and the speaker.

The University of New Mexico School of Medicine Office of Continuing Medical Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Office of Continuing Medical Education designates this educational activity for a maximum of (number of credits) AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.
