Student Peer Assessment Exercise

Due in Class on Thursday September 15, 2011

Instructions:

1. Find your student number in the left-hand column in the table below. Link it to the number of the student you need to evaluate. For example, below student # _____ will evaluate student # _____.
2. Locate your student's searches by number in the pages that follow in this document.
3. Use the attached rubric, also distributed in class last Thursday afternoon, to evaluate and score each search history based on the specific rubrics.
4. Even if you do not recall a specific criteria from class indicate whether your fellow student completed the task.
5. You will be evaluated on the accuracy of your evaluation of your fellow student so be judicious and kind in your written comments.
6. Turn in the attached rubrics sheet at class this **Thursday September 15, 2011**.
7. If you have any questions please email <jeldredge@salud.unm.edu>

If your student number is....	Then you need to evaluate student number...
