THE UNIVERSITY OF NEW MEXICO HEALTH SCIENCES CENTER

LIBRARY AND  
INFORMATICS  
CENTER

# The Health Sciences Library and Informatics Center

## Announces

# The UNM Medical Informatics Seminar Series

- Date:** 2<sup>nd</sup> and 4<sup>th</sup> Thursdays of each month  
(Beginning Thursday, September 23<sup>rd</sup>)
- Time:** 10-11 AM
- Location:** 228 Conference Room  
(Health Sciences Library and Informatics Center)
- Target Audience:** All Physicians, Residents, Fellows, Students, and HSC Faculty members  
interested in learning more about Medical Informatics
- Schedule of Topics:** <http://hsc.unm.edu/library/kmit/informatics/>

### Series Learning Objectives:

- Provide a broad overview of salient topics in the field of Medical Informatics
- Provide a forum that fosters interdisciplinary cross-collaboration for research into areas related to Medical Informatics
- Provide a forum for Medical Informatics fellows (and HSC faculty doing research or with a serious interest in Medical Informatics) for presentation of Medical Informatics-related research results

Each session will consist of a didactic presentation and discussion, the amount of each will vary depending on the topic and the speaker.

*The University of New Mexico School of Medicine Office of Continuing Medical Education is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians*

*The UNM Office of CME designates this educational activity for a maximum of 15.0 category 1 credits (1.0 credit per session) toward the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.*

# UNM Medical Informatics Seminar Series Schedule 2004-2005

Please check the Medical Informatics website periodically for schedule changes.
