NEW MEXICO BOARD OF MEDICAL INVESTIGATORS MINUTES OF MEETING- June 26, 2018

NM Office of the Medical Investigator The University of New Mexico Health Sciences Center Albuquerque, New Mexico

PRESENT:

Lynn Gallagher Cabinet Secretary, New Mexico Department of Health

Board Chair

Paul Roth, MD Chancellor of HSC, Dean School of Medicine

Board Vice Chair

Pete Kassetas Chief, New Mexico State Police

Board Secretary

ABSENT:

David Houston Chairman of the Board of Thanatopractice

Professional Member

Suzette Shije Acting Secretary, NM Department of Indian Affairs

Professional Member

GUESTS:

Kurt B. Nolte, MD Chief Medical Investigator, NM OMI

Karen Cline-Parhamovich, DO Assistant Chief Medical Investigator, NM OMI

Ian Paul, MD Medical Investigator, NM OMI Yvonne Villalobos Director of Operations, NM OMI

Sarah Lathrop, PhD Epidemiologist, Professor of Pathology, NM OMI

Natalie L. Adolphi, PhD Director, Center for Forensic Imaging

Thu Luu Accounting Manager, NM OMI

Denise Padilla Accountant, NM OMI

Anthony Cervantes Unit Administrator, NM OMI

Stephen Adams, MD Retiree, NM OMI

Douglas Clark, MD Chairperson, Dept. of Pathology, UNM

Scott Sauder University Counsel, UNM

1. CALL TO ORDER AND CONFIRMATION OF QUORUM

Secretary Gallagher called the meeting to order at 1:11 P.M.

2. ADOPTION OF THE AGENDA (action item)

The **MOTION** to adopt the agenda **PASSED** unanimously (**MOTION** Kassetas; **2**nd Roth)

3. APPROVAL OF MINUTES (action item)

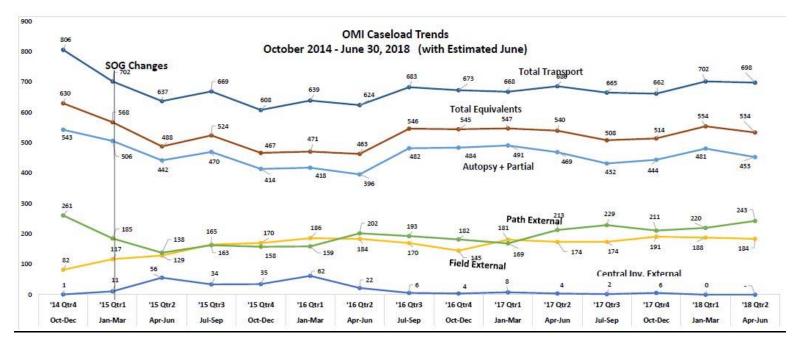

Dr. Roth **MOVED** to approve March 20, 2018 general meeting minutes, Chief. Kassetas **SECONDED** the motion. Motion **CARRIED**.

4. BUDGET UPDATE (information item)

Dr. Nolte identified items in the board packet and gave an update about the OMI budget. Documents presented:

- Baseline data: Caseload trends Oct. 2014 June 30, 2018 (with Estimated June)
- FY18 Income Statement Projection 7/1/17 6/30/18
- FY19 Income Statement Projection 7/1/18 6/30/19
- FY20 Income Statement Projection 7/1/19 6/30/20
- FY19 Salary Increase
- Specific FY20 Funding Needs for OMI

Baseline data: Caseloads trends October 2014 – June 30, 2018 (with estimated June)

OMI FY18 Income Statement Projection

7/1/17 - 6/30/18

Revenue

Specific FY20 Funding Needs for OMI

	Funding Essential for Survival		
One-time	Replace Failing CT scanner before it leaves OMI without an essential piece of equipment	5	1,400,000
Appropriation	Eliminate longstanding OMI debt to UNM School of Medicine	5	843,75
	Subtotal	\$	2,243,75
	Full coverage of increased utility/building costs of new facility	5	335,60
Ongoing Appropriation Needs	CT service contract	5	145,00
	MR service contract	5	75,00
	Increased costs of toxicology testing for potential overdose deaths at national reference laboratory currently covered by time-limited grant funding and for expanded testing panels that covers fentanyl analogues	S	142,00
	Subtotal	and the same	697,60
	Total - Funding Essential for Survival		2,941,35
	Funding Important for Good Function		2,312,03
	Replace obsolete computer workstations (9 - 10 years old)	S	105,50
	Replace obsolete and poorly functional autopsy room dissecting microscope	S	18,00
One-time	Replace obsolete and poorly functional multi-head consultation and conference	,	10,00
Appropriation	microscope	S	100,00
	Subtotal		223,50
Field Deputy Medical Inves	1 HR staff grade 13	S	72.63
	1 Decedent Affairs staff for death certificates grade 9	S	45,385
	Field Deputy Medical Investigator pay increase to foster retention	5	15,00
	ppropriation Supervisor for central office investigators night shift	5	26,00
Appropriation		5	75,78
Needs	Transportation to bring all fatal firearm cases to the central office for evaluation	S	22,00
	Subtotal	100000	256,80
	Total - Funding Important for Good Function	\$	480,30
0 1	Funding to Obtain Ideal Operations	_	250.00
One-time	Replace 2 old portable and obsolete x-ray units and upgrade to digital radiography	\$	350,00
Appropriation	Subtotal		350,00
	Administrative assistant for investigation unit	\$	50,20
Ongoing Appropriation	Toxicology testing for non-overdose deaths at national reference laboratory (currently covered by Scientific Lab Division of Department of Health)	\$	200,00
Needs	Faculty and investigator travel for professional meetings & continuing medical		20.00
	education	\$	30,00
	Subtotal Sundings Obstitute Commission	_	280,20
	Total - Funding to Obtain Ideal Operations	5	630,20
	Grand Totals:		0.000.00
	Funding Essential for Survival + Good Function	\$	3,421,66
	Funding Essential for Survival + Good Function + Ideal Operations	\$	4,051,86

5. COMPUTED TOMOGRAPHY (CT) SCANNER STATUS UPDATE (information item)

Dr. Natalie Adolphi gave an update to the board that the CT scanner, Image Reconstruction System (IRS) computers and software received an upgrade. This did not include scanner hardware. The upgrade will help reduce the burden on the x-ray tube for each case, it will also help improve the overall work load. The upgrade is a temporizing measure only. The CT scanner still needs to be urgently replaced before it fails.

6. STATEGIC PLAN IMPLEMENTATION (information item)

Dr. Cline-Parhamovich spoke about implementation of the OMI Strategic Plan. The plan is divided into four mission areas.

- > Administration
- Clinical
- **Education**
- Research

The first phase of implementation is setting priorities, applying benchmarks and identifying foundations of focus.

Administration:

Within the four mission areas, the strategic plan leadership team decided to focus on the Morphology Department. The first part of the administrative and organizational initiative includes a morphology culture assessment. The goal is to decrease turnover and improve employee satisfaction.

Another item identified by the strategic plan leadership team is interoffice communication. The OMI is exploring electronic messaging boards (digital signage) to be strategically placed throughout the office to provide a level of communication to all departments.

Clinical:

Dr. Cline continued to highlight areas of focus.

As part of the Clinical initiative, the OMI is currently undergoing replacement of the case management database. The requirement gathering phase is complete. The next phase is to migrate data from the two current database systems (DIRT/VAST) to the new case management software. After this is done, the vendor will provide a "Statement of Work" which will allow us to move on to the purchasing/PO process.

Education:

Dr. Cline explained the Education initiatives. Historically education at the OMI is focused on pathology fellows, residents and medical students. As part of the Educational initiative, the OMI will develop curriculum to also provide education to morphology and other staff.

Research:

Currently, the OMI does not have a centralized repository for basic OMI data, information/documents/samples needed for grant writing and research. An OMI electronic research repository is being developed, to ensure that research tools are readily available.

7. PUBLIC COMMENT

No public comment

8. VOTE TO CLOSE GENERAL MEETING AND PROCEED IN EXECUTIVE SESSION

Chief Kassetas **MOVED** to close the general meeting and proceed to executive session (**SECONNED** Roth) **PASSED** by unanimous approval. Let the record show that the Board entered Executive Session at 1:48 P.M. and the recorder was turned off.

9. The meeting re-opened at 2:43 P.M. Certification that only the matters described in the executive session agenda were discussed during closed session and there was no formal action taken upon the two items.

10. FACULTY TRANSITION- Dr. Zumwalt's Retirement

Dr. Nolte highlighted Dr. Zumwalt's career and thanked him for years of services to UNM, the OMI and the citizens of New Mexico. Dr. Nolte presented Dr. Zumwalt with a plaque honoring his retirement.

11. The meeting **ADJOURNED** at 2:56 P.M.
