Happy Pride!

by Kelleen Maluski on June 1st, 2023 in [Health Justice & Equity](#) | [0 Comments](#)

Though we know that Pride is truly a year long experience, here at HSLIC we are excited to be celebrating Pride Month 2023!

To help you celebrate, be sure to check out the book display in the lobby of the library and dive deep into the [Pride Month Virtual Exhibit](#). Here, you can explore ebooks, articles, local resources, and more related to the LGBTQIA2+ community. This year's exhibit pays close attention to the experiences of our Trans and Drag communities. There are resources that review the healthcare needs and lived experiences of these communities from their perspectives. You can also utilize the [Research Guide for LGBTQIA+ Health Resources](#) to better understand the information and knowledge landscape pertaining to these communities. Lastly, be sure to check out events all across the HSC on the [UNM HSC Pride page](#).
