This Presentation is brought to you for free and open access by the University Libraries at UNM Digital Repository. It has been accepted for inclusion in About Open Access by an authorized administrator of UNM Digital Repository. For more information, please contact disc@unm.edu.

Open Access Textbooks as a Strategy for Lowering Student Costs

Jon Eldredge, MLS, PhD
Holly Phillips, MS, MLS

UNM Open Source/ Open Access Day 2011
April 6, 2011. 10:30-11:00am

Copyright © 2011

jeldredge@salud.unm.edu

By completion of this 20 minute presentation, and 10 minute follow-up, each participant should be able to:

- Define the concept of “Open Access” in his or her own words
- Locate open access textbooks on the Internet
- Identify at least one (1) site for publishing one’s own open access textbook

Defining Open Access

- Use or copy publication at no cost
- Grant appropriate credit to the author
- Author retains ownership of her or his intellectual property

Open Access Textbook Availability
