Self-Commodization 2.0 - The Future of Work 2019

1. A red and white table setting for a dinner event.
2. A man giving a presentation titled "Defining Your Personal Brand: From Mere Worker to Influencer".
3. A slide showing statistical data with charts and graphs.
4. A quote: "In the future, we will no longer measure success by the number of tools we have, but by the number of minds we have brought together."
