UNM News Minute #316 – May 31, 2006

1. FOR THE SECOND YEAR in a row, a team of MBA students from UNM's Anderson Schools of Management won the national Cadillac Case Study Competition held May 25 in Detroit, Mich. The UNM team successfully defended its title with a marketing research and communication plan that focused on women ages 35 and above. No other team has ever won the Cadillac competition two years in a row.
