This Agenda is brought to you for free and open access by the Health Sciences Library and Informatics Center at UNM Digital Repository. It has been accepted for inclusion in Biomedical Informatics by an authorized administrator of UNM Digital Repository. For more information, please contact amywinter@unm.edu, Isloane@salud.unm.edu, sarahrk@unm.edu.
Biomedical Informatics Seminar Series (BioMISS)

2019 – 2020 Schedule

**September**

**09/05/2019**
Research Update on Physician Burnout and Health Information Technology
Philip J. Kroth, MD, MSc
- Director, Biomedical Informatics Research, Training & Scholarship
- Professor, Divisions of General Internal Medicine & Translational Informatics
- Section Chief, Clinical Informatics

**09/19/2019**
Electronic Health Record (EHR) Implementation Complete - Now What?
Robby Atala, MD
- 2018–2020 UNM HSC Clinical Informatics Fellow

**October**

**10/03/2019**
Hospital Data Reporting to Government Agencies and the Metrics that Impact Reimbursement and Hospital Star Ratings
Richard Crowell, MD
- Vice Chair, Quality & Safety, Dept. of Internal Medicine
- Professor, Division of Pulmonary/Critical Care/Sleep Medicine

**10/17/2019**
Antibiotic Use Metrics – What Are They and How Are They Used?
Meghan Brett, MD
- UNMH Hospital Epidemiologist
- Medical Director, Antimicrobial Stewardship
- Associate Professor, Division of Infectious Diseases

**December**

**12/05/2019**
Mitigating Human Error: Case Studies on Responsible Data Stewardship
Lori Sloane
- Data Manager, HSLIC Resources, Archives & Discovery

**January**

**01/16/2020**
Smartphone Mobile Application Delivering Personalized, Real-Time Sun Protection Advice: A Randomized Clinical Trial
Marianne Berwick, PhD, MPH
- Distinguished Professor, Dept. of Internal Medicine
- Secondary Appointment: Dermatology

**February**

**02/06/2020**
Healthe Intent – Our Value-Based Platform and the Types of Data It Adds to Electronic Medical Records
Gary Iwamoto, MD
- Chief Medical Information Officer, UNM Health System
- Professor, Dept. of Internal Medicine

**02/20/2020**
Improving Early Detection of Sepsis Using Unstructured Clinical Text
Michael Bernauer, PharmD
- Senior Data Scientist, RS21
- 2016–2019 Biomedical Informatics Research Fellow

**March**

**03/05/2020**
Integrity of Scientific Evidence
Jonathan Eldredge, PhD
- Associate Professor, School of Medicine, College of Population Health and Family & Community Medicine
- Vice Chair, School of Medicine Curriculum Committee
- Associate Fellowship Director, Clinical Informatics

**03/19/2020**
Population Health
Aaron Jacobs, MD
- Associate Medical Director, Population Health Management, UNM Medical Group
- Associate Professor, Dept. of Pediatrics
Biomedical Informatics Seminar Series

2019 – 2020 Schedule

April

04/02/2020
Truven Database - Its Capabilities and the Observational Medical Outcomes Partnership (OMOP) Standard

Christophe Lambert, PhD
- Associate Professor, Translational Informatics Division, Dept. of Internal Medicine & Center for Global Health

04/16/2020
Application of Informatics to Improve Population Health

Tracie Collins, MD, MPH, MHCDS
- Dean, College of Population Health

May

05/07/2020
High-Risk Telehealth Primary Care (HTPC) Update

Vipul Bodar, MD
- Clinical Informatics Specialist, Raymond G. Murphy VA Medical Center
- 2016–2018 UNM HSC Clinical Informatics Fellow

05/21/2020
History and Future of the UNM HSC MSCR and CCTS Graduate Certificate Programs

Shiraz Mishra, PhD, MBBS
- Director, MSCR/CCTS Program

Accreditation and CME Credit

The University of New Mexico School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of New Mexico School of Medicine designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The University of New Mexico is an Affirmative Action/Equal Opportunity institution. In accordance with the Americans with Disabilities Act, this material is available in alternate formats on request.
