MPH Theory & Practice Seminar Library/Informatics Assignment: Database Searches

Jonathan Eldredge

PH 508 Theory and Practice Seminar I

Library/Informatics Assignment: Database Searches

Due: September 18, 2006

Name_____

State your question as clearly and as concisely as possible

List the primary subject of the search, then the secondary subject

Primary:	Secondary:

List any *synonyms* for your primary and secondary subjects

Primary:	Secondary:

Name of only one database searched: _____ Date searched _____

Either attach your search history to this sheet or copy & paste it in the box below:

List the top three (3) references you found using the strategy summarized above, in descending order, so the most useful references appear first
