UNM News Minute # 272 – July 13, 2005

1. THE UNM LAW LIBRARY website is one of four law library sites out of 180 tested in the nation that passed coding standards. The recognition was reported in a presentation at the Center for Computer-Assisted Legal Instruction (CALI) conference in June. Although the presentation focused on law libraries, the entire UNM School of Law website met W3C standards.
