ANDERSON BIG SHOTS

Dr. Jeanne M. Logsdon

Dr. Jeanne M. Logsdon, professor of policy and planning has been awarded the Sumner Marcus Award for Outstanding Service by the Social Issues in Management Division at the recent annual meeting of the Academy of Management. The award, named after a founder of the division is the division's highest honor, given for career achievement each year to one individual.

Logsdon, a faculty member of Anderson since 1989, teaches graduate and undergraduate core courses in ethical, social, political and legal environment of business, and has developed elective courses in ecology and management, public affairs and public relations, and ethics in organizations.

Logsdon has been a member of the Academy of Management since 1980 when she was a doctoral student at the University of California at Berkeley and has since held many officer positions including: Past Division Chair (2002-2003), Division Chair (2001-2002), Division Chair – Elect (2000-2001), Program Chair for the 2000 annual meeting, and Program Chair Elect for the 1999 annual meeting. She has been active in other professional associations and been appointed an associate editor and the editor of the premier journal in her field, *Business & Society*.

Accounting Career Fair, in SUB

FAST INFO

Have a question? Ask it at <http://fastinfo.unm.edu> and we'll try our best to answer it here.

Question: I think I'll have all the classes I need to graduate after this semester, so what do I do now?

Answer: Graduation is not automatic. We ask that students apply a semester before they plan to graduate. Application packets can be picked up at the front desk in the Advisement Center.

When you turn in your graduation application, a graduation appointment will be made for you so that you can meet with your advisor to review your remaining requirements and ask any questions you may have. Your advisor will provide you with information about the graduation ceremonies and honors eligibility, if it applies to you. During your appointment, you will sign a contract, signifying your understanding of what is required to graduate.

Once you're in your graduating semester, if you're worried about making sure you're going to graduate, check your contract. Have you completed all of your management courses with a C- or better? Your upper-division humanities with a C or better? Are you enrolled in enough free electives, as indicated on your contract (if applicable) and you don't have any more than one credit hour of PE? If the answer to these questions is "yes," then you should be on track to graduate. If you're still concerned, feel free to email your advisor for clarification.

The Anderson Bulletin is published on Monday's. Deadline for inclusion is Wednesday at noon; send complete information to news@mgt.unm.edu or submit online at <http://www.mgt.unm.edu/bulletin/submitContent.asp>.
