Dear Prospective SFRB Applicants,

November 12, 2012

Please review the Board of Regents Policy 4.7, University Business Policies and Procedure Manual 1310, and all instructions provided in the application, fill out the application, and submit both an electronic copy and 15 three-hole punched hard copies to the ASUNM (Associated Students of the University of New Mexico) office at the address listed below by Monday, December 17, 2012 at 5:00pm.

Before proceeding with the application, read carefully the instructions on page 3, noting particularly the itemized budget and source of funding requirement. Applications that do not provide an itemized budget of how SFRB funds will be used will be considered incomplete and may be rejected on those grounds. The SFRB will not recognize applications that reflect estimated salary increases based on projected or anticipated legislative action from the 2013 New Mexico State Legislative Session.

When returning the completed documents to the ASUNM office, remember to submit an electronic copy of the application and budget (saved on a CD) and submit 15 double-sided, three-hole punched hard copies, as the application cannot be processed prior to receipt of both the electronic and hard copies.

SFRB applications will be reviewed by the Board members and made available for general student input (via the SFRB website) on December 20, 2012. The Board will be hosting the departmental hearings January 10, January 11, and January 12. The date and time of your department’s hearing will be posted no later than December 22—please make sure to note your preference regarding the day of your hearing. The hearing schedule will be posted on the SFRB website and an email will be sent to the contact listed on each application. It is strongly encouraged to have student-decision makers in your department lead your SFRB hearing presentation.

As you complete the application keep in mind that the student activity fee is used to support a variety of student activities that enhance the academic and intellectual environment at UNM by encouraging, contributing to, or providing appropriate services which create a more complete environment for students at UNM.

Questions relating to applications can be directed to the Board at the below address or telephone. Furthermore locations of meetings will be published on the SFRB website.

Thank you for your interest in participating in this year’s SFRB process. We are looking forward to a productive year.

If you have any questions, please do not hesitate to contact me.

Sincerely,
Caroline Muraida
