## NEWS

### UNM Technology Business Plan Competition Kick Off

**STUDENTS:** Come meet others who are interested in forming teams! Food will be served! All faculty, staff, and students are enthusiastically encouraged to join us from 4 - 6 pm on Wednesday, September 26 in the Anderson Student Center. Come see the Ray Radosevich room and the Financial Center! President Schmidly will speak and local business leaders will be in attendance. No RSVP needed. The prize for the best business plan is \$25,000, so come hungry and leave happy, ready to plan, plan, plan!

### MBA Washington Campus Program - January Session

The Washington Campus MBA residencies are designed to equip students with the understanding necessary to anticipate, influence, and respond intelligently to government initiatives. Students interested in the session from January 7 - 11 must turn in their applications by **October 5**. For further information on the program, visit <http://washingtoncampus.mgt.unm.edu/>.

## ADVISEMENT

**Last day to drop without a grade:**  
Full Term - Friday, September 28

Graduate students who recently graduated must turn in transcripts, showing degree earned to the Advisement Center ASAP.

### Non-Anderson students:

The deadline for application to the BBA program is October 1st. Please stop in the Advisement Center and complete a "Request for Pre-major Advisement Summary Sheet," which must accompany your application, by Wednesday, September 26.

If you are graduating at the end of the fall 2007 semester, you should have already submitted a graduation application to the Advisement Center. If you have not done so, please make an appointment to see your advisor as soon as possible.

## FAST INFO

**Have a question?** Ask it at <http://fastinfo.unm.edu> and we'll try our best to answer it here.

**Question:** My advisor said I need additional free elective credits. What courses can I take?

**Answer:** To receive an undergraduate degree from UNM, you need to complete a minimum of 128 credit hours. Completing the Anderson pre-admission requirements and management courses required for your concentration will not get you enough credit hours, so the remaining hours are made up by free elective credit. Free electives are any courses that are not specifically required for your degree. They can be anything except basic skills (like Introductory Studies Math) or technical courses (designated by a "T" on your transcript). Additionally, Anderson students may only count one hour of PE NP courses toward their degree.

We strongly encourage students to pursue an external minor. Minor in economics, communications and journalism, or a foreign language is a great addition to your business degree and can help you focus your free elective hours rather than taking random classes. Additional management classes outside of those required for your concentration will also count for free elective credit.

The Anderson Bulletin is published on Mondays. Deadline for inclusion is Wednesday at noon; send complete information to [news@mgt.unm.edu](mailto:news@mgt.unm.edu) or submit online at <http://www.mgt.unm.edu/bulletin/submitContent.asp>.
