A Message from Chancellor Roth

Dear Colleagues:

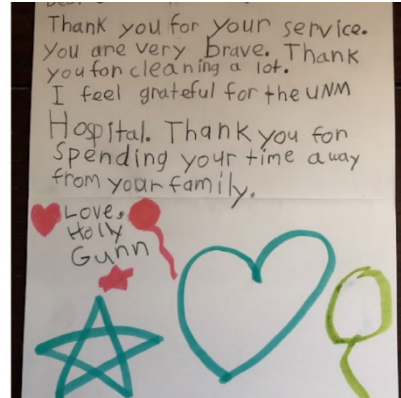

Over the past few weeks our health care teams at UNM Hospital, Comprehensive Cancer Center, and UNM Sandoval Regional Medical Center have been blessed to receive donations of food and supplies – and many messages of support from our community.

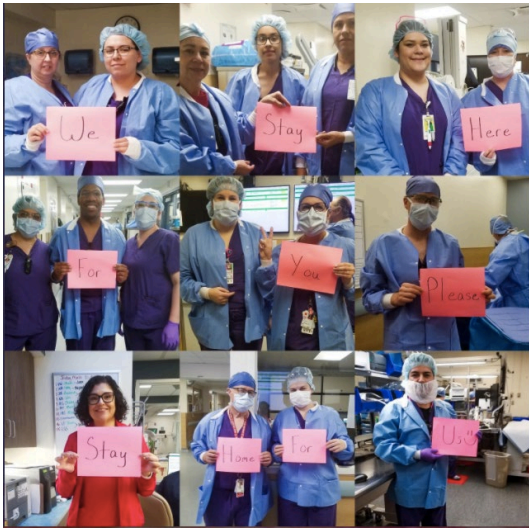

In just the past few days UNMH and SRMC were treated to salutes from first responders who staged parades outside the hospitals.

Throughout the health system – from our hospitals to clinics like Truman Health Services – people continue to practice social distancing and demonstrate best practices to #FlattenTheCurve.

These gestures of goodwill are testimony to the bonds we have built with our community. Today, I'd like to share a sampling of photos that I think speak for themselves.

(please click on the images to enlarge)

I hope you find these images as heartwarming as I do. Please have a peaceful weekend!

Warm regards,

A handwritten signature in cursive script, reading "Paul B. Roth".

Paul B. Roth, MD, MS
Chancellor for Health Sciences
CEO, UNM Health System
Dean, UNM School of Medicine
