UNM News Minute #326 – August 9, 2006

THE UNM FOUNDATION established an all-time high for fundraising, topping $48 million for the first time in the university's history. UNM easily exceeded its overall fiscal year 2005-06 fundraising goal of $47.1 million by raising nearly $48.6 million. These gifts help support student scholarships, initiatives to help students volunteer in the community, funds for new construction and renovation, and support for faculty and course development.

FOR THE THIRD consecutive year, UNM Hospital has been named one of the most-wired hospitals and health systems in the United States. UNMH was one of 100 selected out of more than 1,200 to be surveyed, and is one of only 13 organizations in the seven-year history of the program that has made the Most Wired list four times.

THE HEALTH SCIENCES CENTER has been designated by the World Health Organization as a WHO-Pan American Health Organization (PAHO) Collaborating Center. WHO/PAHO cited a number of factors in designating the center, including the HSC's history of innovations in education, its track record of implementing innovative community health programs throughout New Mexico, and its role in fostering reform in other academic health centers in developing countries.
