Edgewood Trails Day

June 10, 2017 at 10:00 am

Looking for Outdoor Adventure?

Accessible trails in town, a skate park, and surrounded by miles of trails through public open space, Edgewood has much to offer hikers, mountain bikers, and equestrian riders. Use our Equestrian Rest Stop complete with arena and watering station, try to find geo-caches at 6,666' altitude along Route 66, or explore the beautiful foothills trails. Some of our businesses even have hitching posts out back, which is why we say "Horse around, it's legal here!"

Join the Town of Edgewood this Saturday for Get Outdoors Day to hike, bike, or ride their beautiful community trails. Check out the flyer for complete details.

EVENT LOCATION

Edgewood Sports Pavilion

Edgewood, NM 87015
