Long Term Ecological Research - Reports

Long Term Ecological Research (LTER)

10-1989

Coordinating Committee Meeting, Harvard Forest/Hubbard Brook, October 1989

Long Term Ecological Research Network

Follow this and additional works at: https://digitalrepository.unm.edu/lter_reports

Schedule, Fall 1989 LTER Coordinating Committee Meeting October 10-15, 1989 Harvard Forest/Hubbard Brook LTER's

Monday, October 9

Evening:

LTER Executive Committee arrives at Harvard Forest, 8 pm buffet

Tuesday, October 10

Day:

LTER/Exec meeting, 8 am-5 pm; focus on LTER/CC stragetic planning

Evening:

LTER/Exec meets with 6 sites recently site-reviewed

(AND, CPR, NWT, NIN, NTL, CWT)

Evening:

LTER/CC participants arrive. EVENING BUFFET, 8:00 pm, Harvard Forest.

Introduction to Harvard Forest

Wednesday, October 11

7:15

BREAKFAST at Harvard Forest

8:00-10:30

Introductions, LTER Business session

-NSF Report

-Reports on LTER workshops (Data Managers; Decomposition; GIS;

Stable Isotopes; Connectivity Team)

10:30-10:45

COFFEE BREAK

10:45-12:00 12:00-1:00

Strategic Planning Session #1 LUNCH at Harvard Forest

1:00 - 3:00

Strategic Planning Session #2

3:00 - 5:30

Field trip, Harvard Forest

7:00 Evening

DINNER at local restaurant, The Fox Run Informal socializing. Impacts of Hurlcane Hugo on LTER sites

Thursday, October 12

7:15	
8:00	-10:00

BREAKFAST at Harvard Forest Strategic Planning Session #3

10:00-10:30

COFFEE BREAK

10:30-12:00

Strategic Planning Session #4 12:00- 1:00 LUNCH at Harvard Forest

1:00 - 3:00

Strategic Planning Session #5

3:00 - 5:30

Field trip, Harvard Forest

7:00

DINNER at Harvard Forest

Evening

Informal discussion groups: Global Change, Trace Gases, and Remote Sensing

Friday, October 13

7:15

BREAKFAST at Harvard Forest

8:00 -10:00

Strategic Planning Session #6

10:00-10:30

COFFEE BREAK

10:30-12:00

LTER Business meeting, reports from currently funded intersite research

projects, other business

12:00- 1:00

HEARTY LUNCH at Harvard Forest

1:00 - 3:00

LTER Business meeting

3:00 - 8:00

Travel via bus from Harvard Forest to Hubbard Brook; light BROWN BAG

DINNER on road, LATE RECEPTION at Hubbard Brook

Saturday, October 14

Day

Field trips

Evening

DINNER at Loon Mountain Inn

Sunday, October 15

7:00 - 8:00

BREAKFAST at Hubbard Brook

8:00 -12:00

Travel via bus to Logan Airport. (Suggested departures after I:00 pm.)

Detailed Agenda - LTER/CC Business Meetings

Wednesday (8:00-10:30am) Thursday (8:30-10:00pm) Friday (10:30-12:00am, 1:00-3:00pm)

Wednesday 8:00-8:15 Introductions - Franklin 8:15-9:15 Report from NSF: Introduction of John Brooks and Margaret Davis, general comments - Edwards Renewals (Cohort I) & Site Reviews (Cohorts I, II), other information - Callahan Intersite research activities and new job -FY 1990 NSF budget, other items - Edwards 9:15-9:45 Data Managers' Report - Susan Stafford a) Decisions Recommendations for Action b) Recommendations for Action

Funding requests:

1 Catalog of long-term data sets dm to date element Funding requests: 1 Catalog of long-term data sets um ((Michener/Nottrott, co-leaders) - NASA 30% broket
2 All-site bibliographic data base NASA 30% broket
(Adams/Halfpenny, co-leaders) to dan
(Adams/Halfpenny, co-leaders)

Connectivity Team Preliminary Report Repurp data makes
(Brunt/Nottrott)

Network Office Activities - tow dotomined / chosen? 9:45-9:55 9:55-10:10 10:10-10:30 Recent Workshops Stable Isotopes - Hobbie, ARC a)

Decomposition - Melillo, HFR

Geographic Info. Systems - Burke

10:30-10:45 COFFEE/TEA BREAK

10:45-... Strategic Planning Sessions 1-6, Wednesday morning thru Friday morning @ 10:00

There are 5 handouts from the Network Office:

1 Agenda (3 pp) 3 Fall 1989 LTER Newsletter 2 List of attendees

4 Reimbursement procedures

Hubbard Brook field trip (3 pp)

In addition, each LTER site will get a notebook containing Strategic Planning materials. Please help yourself to the Global Change books.

Thursday evening 8:30-10:00

Group Discussions around the following topics:

a) Trace Gases - led by John Torry, HFR
b) Global Change workshop - led by Jerry Franklin, NET
c) Remote Sensing - led by John Vande Castle, NET

- d) other....

Friday 10:30-11:00	Integration of LTER with Socio-Economic Analyses and Databases - Dr. Tom Baerwald, NSF Program Director, Geography
11:00-11:20	Cohort I Renewal Proposals - Swanson/Seastedt - major themes, coordinated activities
11:20-11:30	LTER Teleconference on Oct 4 - Gosz
11:30-12:00	Planning & Upcoming Events LTER/CC meetings Spring 1990 at Fall 1990 at Future workshops: -Trace Gasses, Nov 1989, John Aber organizer -Global Change, Nov 1989, Jerry Franklin -Root Techniques, Apr 1990, Alvin Smucker, KBS -Remote Sensing - tba
12:00-1:00	Lunch
1:00-2:00	Intersite Research - Progress Reports (10 min 0)
	a) "Productivity" - Inouye for Tilman b) "Ecosystem Recovery" for Sollins c) "Climate Variability" - Caine for Greenland d) "Tree Mortality" - Franklin e) "Modeling Forest/Streams" - Vernberg for
2:00-2:15	Report on Site Reviews for Cohort I (AND, CWT, NWT, NIN, NTL, KNZ, CPR) - Franklin
2:15-3:00	Unfinished business and any new business
3:00	Depart for Hubbard Brook
