1. UNM POLICE ARE ASKING for help from UNM faculty, staff and students in their efforts to apprehend individuals responsible for a string of computer thefts and safecracking incidents on campus. Anyone who thinks they might have useful information in solving the thefts should call UNM Crimestoppers at 277-7867 or UNM Police at 277-2241.

2. THE UNM PHYSICS DEPARTMENT was awarded a National Science Foundation grant for \$366,000 for three years to conduct theoretical research on quantum dynamics of electrons in organic materials. V. M. Kenkre, physics and astronomy professor, serves as principal investigator and David Dunlap, physics and astronomy associate professor, is co-investigator for the research.
