HSLIC News - LibGuides at University of New Mexico

We Want To Hear From You

by Kaylee Nauer on April 17th, 2023 | [o Comments](#)

We celebrated the 45th anniversary of the HSLIC building this year, which got us thinking about the library's outside appearance. Over time, we've continually renovated the interior to reflect the changing needs of our users — providing additional spaces to study, collaborate, reflect, and try out new technology. Now we look to improve the library's front exterior.

There are plans for a major renovation to tear up the concrete and replace the irrigation system, but that may be many years away. What can we do now?

That's why we are asking you to take a short survey. We want to know: how do you currently engage with the space in front of the library, and what improvements do you want to see?

Please visit [this link](#) to take the survey. We hope you take five minutes to share your ideas about improving the experience of being outdoors in front of HSLIC. Your input is important to us, and we appreciate your time and effort in providing feedback.

WE WANT TO HEAR FROM YOU

We are looking to make improvements to the outdoor space in front of the Health Sciences Library and Informatics Center.

Please take a short survey and let us know what improvements you want to see. The survey will be available until 5/1.
