This Newsletter is brought to you for free and open access by the UNM News Minute at UNM Digital Repository. It has been accepted for inclusion in UNM News Minute 2000 by an authorized administrator of UNM Digital Repository. For more information, please contact [disc@unm.edu](mailto:disc@unm.edu).

ON NOV. 7, NEW MEXICANS will vote on G.O. Bond Issue B which will provide \$58.2 million for the state's public schools, colleges, and universities. For UNM it will provide \$8 million for a new Architecture and Planning building, \$1 million for patient care equipment and will allow KNME-TV to convert to digital TV to meet the FCC's mandate. Tune in to KNME-TV's special on bond issues, which highlights Bond Issue B, tonight at 8 p.m.

UNM GRADUATE STUDENT Anastasia Steffen is among seven students nationwide to receive \$75,000 each to conduct doctoral studies and research in America's National Parks. Steffen's research, "The Dome Fire Effects Study: An Archaeological Investigation of Fire and Obsidian," will focus on the way heat damage may alter current methods of dating obsidian artifacts.

UNM News Minute highlights items of interest to the campus community. UNM News Minute is published weekly on Wednesdays by UNM's Public Affairs Department.
