## Society of Southwest Archivists Meeting - April 26-29 in Albuquerque AND Virtually

by Jonathan Pringle on April 17th, 2023 in [History of Health](#), [New Mexico](#) | [0 Comments](#)

I am excited to announce that the Society of Southwest Archivists (SSA) will host its annual meeting, "[Respect for Hybridity: Creating Inclusive and Accessible Archives](#)," on April 26-29 in Albuquerque. As the name suggests, this will be the FIRST meeting SSA is hosting, where nearly every presentation and workshop will be provided synchronously for both in-person and virtual attendees. We are using the [OWL technology](#) to create collaborative spaces where both virtual and in-person presenters/attendees can engage with each other in a truly inclusive and accessible manner. The program/sessions for [4/27](#) and [4/28](#) are now online; some of the offerings include:

Diversifying the Archives: Archival Projects Delivered Through a Diverse Lens

Hybrid Archives: Expanding Access While Building Our Skills

Shining a Light on the Opioid Industry Using Digital Archives

Creating More Inclusive Minimum Description: Implementing Inclusive Practices at Accessioning

D.I.Y. Feminism: Utilizing Special Collections as Spaces for Creative Activism

Community Archiving Workshop and Audiovisual Collections Care in Tribal Archives

...and many more! Consider attending in person in beautiful Old Town Albuquerque (\$100 for students/retirees; \$200 for members; \$250 for non-members) OR participating virtually for a flat rate of \$50 (members/non-members, right up to the last minute).

Hope to see you in person OR via Zoom!
