UNM News Minute #295 – December 21, 2005

1. A CONSORTIUM OF NEW MEXICO universities led by the University of New Mexico, and including New Mexico State University and New Mexico Tech, is part of the team that has been awarded the contract to run Los Alamos National Laboratory. UNM will play a leadership role in the research and educational activities of the laboratory, but not in the day-to-day operation of the facility.
