HEALTH SCIENCES LIBRARY  
and INFORMATICS CENT

April 10th-14th is National Student Employee Appreciation Week. Join us in celebrating our student employees at the Health Sciences Library by recognizing their contributions to library services and their accomplishments as UNM students. Throughout the week, visit the library's Twitter page to learn about how our student employees support library initiatives.

We are so grateful to have such an amazing group of students working at the library. Your dedication improves library resources, projects, and services. You make the library a better place, and we couldn't do it without you. On behalf of everyone at HSLIC, thank you, student employees!
