Freshmen New Mexico Resident Scholarships

If you've worked hard to be one of the top students at your high school, you'll be glad to know the University of New Mexico is paying attention - and paying thousands of dollars each year in merit-based scholarships. There are literally hundreds of different opportunities available. We won't kid you - it is a very competitive process and the academic level is high, but so are the rewards.

Is It Really True That Hard Work Pays Off?
