## RESOLUTION

Whereas, annual evaluations of administrators above the dean's level to the President are not consistently being conducted;

Therefore, be it resolved, that the Faculty Senate set up a task force to:

- 1) Study the policies and procedures currently governing the evaluation of administrators above the dean's level and,
- 2) Propose to the Faculty Senate a method that will assure the regular evaluation of those administrators and the dissemination of the information thus acquired to faculty members and the Board of Regents.
