# FACULTY SENATE SUMMARIZED MINUTES

2008-2009 UNM Faculty Senate  
October 28, 2008

The Faculty Senate meeting for October 28, 2008 was called to order at 3:10 p.m. in the Domenici Auditorium. Senate President Howard Snell presided.

## 1. [ATTENDANCE](#)

Guests Present: Staff Council President-Elect Alisha Allen, Director Debby Knotts (New Media and Extended Learning), Provost Suzanne Ortega, UNM Foundation President John Stropp, and Shane Wallace (Health Sciences Center Library and Informatics Center).

## 2. APPROVAL OF THE AGENDA

The agenda was approved as written.

## 3. APPROVAL OF SUMMARIZED MINUTES FOR SEPTEMBER 23, 2008 MEETING

The minutes for the September 23, 2008 meeting were approved as written.

## 4. FACULTY SENATE PRESIDENT'S REPORT

The Faculty Senate President Elect reported on the following:

- President Snell thanked the senate for their support of him while he battled vision issues as a result of a West Nile virus infection.
- University Arena (The Pit) will begin a major remodel in April of 2009. The spring University Commencement Ceremonies for 2009 and 2010 will need to be held in alternate venues. Chief of Staff Breda Bova (Office of the President) has been investigating alternatives. Please send any comments or input to Dr. Bova.
- The Academic Freedom and Tenure (AF&T) Committee has revised the Emeriti Policy. The revision was sent to the Faculty Senate Operations Committee and Ops then forwarded it to the faculty Senate Policy Committee for review. The Policy Committee will make suggestions and return it to the Operations Committee. Once the final version is completed, it will come before the senate as an information item. AF&T will then send the proposed revision out for a vote by the general faculty.

A senator asked if faculty that did not attend the town hall could get a summary. President Elect Fields replied that the meeting can still be viewed on-demand through the website.

There has been a decline in the number of tenure and tenure-track faculty at UNM. A senator asked if the number of tenure and tenure-track faculty is being tracked. President Elect Fields stated that he is not sure but suggests that this may be an issue for the Faculty Staff Benefits Committee to track and investigate.

The Operations Committee has been discussing the Faculty Senate Committee and their structure, membership, and charges. Most committees are fully staffed. There are still some vacancies and President Elect Fields encourages senators to volunteer to serve on them.

#### 5. PROVOST'S REPORT

Deputy Provost Richard Holder provided a brief report on the following:

There are six vacant dean positions. Three of the dean searches will occur this year and the remaining three in 2009-2010. Dean Elizabeth Claiborne (College of Arts and Sciences) is leading the search for the dean of the Law School. The search for the Anderson School of Management dean has just begun and is being led by Dean Roger Schluntz (Architecture and Planning). The College of Education dean search will begin within the next few weeks as soon as the committee is seated. The College of Education dean search committee is chaired by Dean Martha Bedard (University Libraries). Next year, there will be dean searches for the College of Fine Arts, University College and the Office of Graduate Studies.

The search committees try to represent all aspects of the community and campus. All candidates will visit campus. The searches for the dean's are being conducted by full national searches. Due to the Open Records Act, the names of the applicants will have to be made public and some candidates may decline to apply.

#### AGENDA TOPICS

##### 9. UNITED WAY

Operations Committee member Pamela Pyle introduced the UNM United Way Committee. The committee members present were Co-chair Martha Bedard (Dean, University Libraries), Events Director Marla Wood (Office of the President), Public Relations Director Jeremy Jaramillo (Agora Crisis Center), and Resource Director for the United Way Clint Wells. Co-chair Bedard explained the United Way and its involvement with, and support of, many UNM programs.

The Agora Crisis Center is one such recipient of United Way support. Jeremy Jaramillo explained Agora. The organization is primarily a suicide prevention group, but they offer help to anyone that needs it. Agora is a counseling and referral service too. He asks that faculty include the Agora contact number (277-3013) on their class syllabi. One hundred percent of all contributions go towards the beneficiaries. Contributions can be made by payroll deduction.

United Way of Central New Mexico (UWCNM) encompasses four counties. Last year, UWCNM raised \$23 million. UNM raised \$892,000 last year. The goal for UNM this year is one million dollars. The committee requests and asks that faculty contribute to the United Way.
