3. A PLANNED ELECTRICAL OUTAGE affecting more than 45 facilities on the main campus is scheduled for Friday, Nov. 19 at 6 a.m. The duration of the outage will be from five to 20 minutes depending on the sequenced restoration of power to each building. This outage is necessary to realign transformers in preparation for the testing of UNM's new gas-powered turbine, an addition that will allow UNM to co-generate much of its own electrical power. <http://www.unm.edu/waytogo/outages.htm>
4. THE REGIONAL DEVELOPMENT CORPORATION, a non-profit economic development organization, announced that UNM has agreed to become a SATOP Alliance Partner. Under the agreement, faculty members from the College of Arts and Sciences, School of Engineering and Anderson Schools of Management can volunteer to assist small businesses in solving technical problems.
