# Facilitators and Barriers to Implementing Community Guide Recommendations to Increasing Physical Activity in Rural Communities

April 3, 2018 at 2:15 pm

The Prevention Research Center will be hosting a panel at this year's New Mexico Public Health Association conference in Albuquerque:

“Facilitators and Barriers to Implementing Community Guide Recommendations for Increasing Physical Activity in New Mexico's Rural Communities”

VIVA Connects Action Community partners from Abiquiu, Raton, and Tularosa will discuss their experiences promoting physical activity. The panel is free and open to all, but registration is required. We hope you'll join us!
