President Elect Doug Fields presented the posthumous degree request for Scott Hudson. The request from the Department of History is below:

The Department of History has initiated a request for a posthumous MA degree to one of their graduate students, Scott Hudson. Scott was a brilliant student. Confined to a wheelchair since youth due to muscular dystrophy, and requiring a respirator in the last year or so of his life, Scott managed to complete 21 of 24 course credit hours toward his MA. He held a graduate assistantship in the New Mexico Historical Review and did an excellent job. He was enrolled this semester but had to withdraw when brain cancer made him too ill. He died 22 April 2008.

The posthumous degree was unanimously approved by the Faculty Senate.

5. PROVOST'S REPORT

Deputy Provost Richard Holder provided a brief report on the following:

There are six vacant dean positions. Three of the dean searches will occur this year and the remaining three in 2009-2010. Dean Elizabeth Claiborne (College of Arts and Sciences) is leading the search for the dean of the Law School. The search for the Anderson School of Management dean has just begun and is being led by Dean Roger Schluntz (Architecture and Planning). The College of Education dean search will being within the next few weeks as soon as the committee is seated. The College of Education dean search committee is chaired by Dean Martha Bedard (University Libraries). Next year, there will be dean
searches for the College of Fine Arts, University College and the Office of Graduate Studies.

The search committees try to represent all aspects of the community and campus. All candidates will visit campus. The searches for the dean's are being conducted by full national searches. Due to the Open Records Act, the names of the applicants will have to be made public and some candidates may decline to apply.

6. FACULTY SENATE PRESIDENT'S REPORT
The Faculty Senate President Elect reported on the following:

- The town hall meeting on September 16, 2008 went well. President Elect Fields suggested at the meeting that the faculty get a voting representative on the Board of Regents (BOR) Finance and Facilities (F&F) Committee. Membership on the F&F would be critical if the BOR, President David Schmidly, and Provost Suzanne Ortega want faculty involved in financial decision-making.

A senator asked if faculty that did not attend the town hall could get a summary. President Elect Fields replied that the meeting can still be viewed on-demand through the website.

There has been a decline in the number of tenure and tenure-track faculty at UNM. A senator asked if the number of tenure and tenure-track faculty is being tracked. President Elect Fields stated that he is not sure but suggests that this may be an issue for the Faculty Staff Benefits Committee to track and investigate.

- The Operations Committee has been discussing the Faculty Senate Committees and their structure, membership, and charges. Most committees are fully staffed. There are still some vacancies and President Elect Fields encourages senators to volunteer to serve on them.

AGENDA TOPICS

9. UNITED WAY
Operations Committee member Pamela Pyle introduced the UNM United Way Committee. The committee members present were Co-chair Martha Bedard (Dean, University Libraries), Events Director Marla Wood (Office of the President), Public Relations Director Jeremy Jaramillo (Agora Crisis Center), and Resource Director for the United Way Clint Wells. Co-chair Bedard explained the United Way and its involvement with, and support of, many UNM programs.

The Agora Crisis Center is one such recipient of United Way support. Jeremy Jaramillo explained Agora. The organization is primarily a suicide prevention group, but they offer help to anyone that needs it. Agora is a counseling and referral service too. He asks that faculty include the Agora contact number (277-3013) on their class syllabi. One hundred percent of all contributions go towards the beneficiaries. Contributions can be made by payroll deduction.

United Way of Central New Mexico (UWCNM) encompasses four counties. Last year, UWCNM raised $23 million. UNM raised $892,000 last year. The goal for UNM this year is one million dollars. The committee requests and asks that faculty contribute to the United Way.
