7. Hearing and resolving disputes involving policy or quality control issues pertaining to University-wide regulations and standards for graduate and professional students and graduate and professional education following procedures as will be found in

Architecture and Planning, Education, Engineering, Fine Arts, Law, Management, Medical Sciences, Nursing, Pharmacy, Public Administration; three faculty members selected from its Graduate Committee membership by the College of Arts and Sciences, one representing each of the three divisions within the college [sciences, social sciences, humanities]. one member each from the University Libraries, University College, and the Graduate and Professional Student Association. The Dean, Associate and Assistant Deans of Graduate Studies, the University Registrar, the Vice Provost for Extended University, and the Provost or his/her designee shall be non-voting ex-officio members.

The selection of faculty members is made in the spring semester of the preceding year and is for a two-year term. The terms are staggered so that Architecture & Planning, Engineering, Law, Management, Nursing, Pharmacy, University College, and one member from Arts & Sciences are chosen in odd-numbered years while Education, Fine Arts, Medical Sciences, Public Administration, University Libraries, and the other two members from Arts & Sciences are chosen in even-numbered years. The GPSA representative is chosen for a one-year term. All representatives will serve no more than three consecutive terms.

Late in the spring semester of each odd-numbered year, the committee membership elects a chair-elect who assumes the chair the fall semester of the next even numbered year. The chair serves a 2-year term, but does not represent his/her College (School or Division). Rather the College (School or Division) Graduate Committee whose representative assumes the chair will choose a new representative to serve out the chair's term or begin a new two-year term, as appropriate.
