## Elevator Renovation Coming Soon!

by Sally Bowler-Hill on March 14th, 2023 | [o Comments](#)

HSLIC's south side elevator, on your left as you face the center stairwell, will be closed for renovations starting March 13th. The elevator car will receive new wall and door panels, flooring, lighting, and all new electronics as part of this project.

The elevator will also be brought into compliance with Americans with Disabilities Act (ADA) standards. Button panels will be lowered inside and outside of the car. An up/down arrow light will be mounted above the elevator doorway on each floor, and sounds will be added to notify people with visual impairments when the elevator arrives.

The project is expected to last 6 weeks. The north side elevator will be available for library users during that time. If you have any questions, please contact Sally Bowler-Hill ([sbowler-hill@salud.unm.edu](mailto:sbowler-hill@salud.unm.edu)).
