Journal Submissions

Instructions to Authors

The mission of the University of New Mexico Orthopaedics Research Journal is to highlight the research work in orthopaedics done by the faculty, fellows, residents, students, staff, and alumni associated with the UNM Department of Orthopaedics and Rehabilitation. The journal invites submissions of original articles that have not been published, case reports, review articles, descriptions of novel procedures, and updates of research studies in progress.

Manuscripts saved as Microsoft Word documents should be sent to UNMORJ@salud.unm.edu for consideration. Please be sure the manuscript has a title page, short unstructured abstract (less than 300 words), and introduction, methods, data analysis, results, discussion, and reference sections. Tables and figures, if included, should be on separate pages at the end of the document. References should be listed using AMA style.
