RESOLUTION

The terrorist acts that took place in the United States on 11 September 2001 were massive crimes against humanity that have affected us all. The Faculty Senate of the University of New Mexico deplors and does not condone the alleged statements made by Professor Berthold in response to this act. We uphold all citizen's rights to free speech and our colleagues' rights to academic freedom. The Faculty Senate affirms its confidence in established internal procedures for the determination of any faculty misconduct. The Faculty Senate calls for due process and maximum fairness in any pending or emerging matters of this kind.
