USING LOBO-WiFi now requires authorized users to log in with their UNM NetID and password. This process is part of a Network Access Control (NAC) system that helps ensure network security by requiring users to authenticate their identities. Authentication helps ensure there is sufficient wireless bandwidth for all authorized users, while providing limited guest web services for users without a NetID on the guest wireless network. <http://www.unm.edu/~market/cgi-bin/archives/004266.html#more>

HOMECOMING IS RIGHT around the corner and now is the time for departments to start thinking about the annual Homecoming Decorating Contest. This year's theme is "Lobo Knights." Decorate your office or design a coat of arms that best represents your department. Great prizes for the top three winners! Each department participating will receive a commemorative 2009 Homecoming poster. For more information contact: Laura Montoya, [lmont@unm.edu](mailto:lmont@unm.edu) or (505) 277-4347 or Lisa Delgado, [ldelgado@unm.edu](mailto:ldelgado@unm.edu) or (505) 277-7870.
