by Brandon Carroll on January 4th, 2023 | [o Comments](#)

HSLIC's 2021- 2022 annual report is now available online, outlining the library's latest developments, info, and statistics to interested stakeholders. The report includes topics such as our latest student resources like our VR headsets, updates on our new and upcoming remodels, recent accomplishments of our esteemed faculty, and much more.

This is also the first time HSLIC has uploaded the annual report to be viewed on an interactive [webpage](#) with links to each section. It can also be downloaded from our [Digital Repository](#) as a traditional PDF.
