The Health Sciences Library and Informatics Center (HSLIC) has created a READ poster featuring Dr. Douglas Ziedonis, MD, MPH, and Rhonda Magee, JD. Rhonda was the Keynote Speaker at this year's UNM Health Equity Summit and is the author of *The Inner Work of Racial Justice: Healing Ourselves and Transforming Our Communities Through Mindfulness*, which highlights overcoming systemic racism and unconscious biases. The new poster will be posted throughout the HSC campus.

The American Library Association launched the READ campaign in 1985 to increase literacy nationwide. HSLIC now has a copy of Rhonda's book available for checkout!
