UNM News Minute #417 – August 30, 2007

DEDICATION OF PHASE I of the new 48,000 ft., \$16 million Domenici Center for Health Sciences Education was held recently at the Health Sciences Center. The state-of-the-art facility is equipped and designed to advance medical education and training for all health sciences at UNM, including the UNM School of Medicine, the Colleges of Nursing and Pharmacy, Diagnostic and Therapeutic Sciences, Public Health and Biomedical Sciences. <http://www.unm.edu/~market/cgi-bin/archives/002169.html#more>

CONGRESSWOMAN HEATHER Wilson recently announced that the UNM Health Sciences Center has received a federal grant of \$285,000 to study uterine cancer and the effects of a G-protein known as GPR-30. The grant comes from the National Cancer Institute and will support on-going studies at UNM. <http://www.unm.edu/~market/cgi-bin/archives/002161.html#more>

UNM HAS CHOSEN Jenelle Manzanares as a recipient of the 2007 UNM Ronald E. McNair Top Scholar Award. Manzanares graduated from UNM's College of Education with a bachelors of Science in Elementary Education, K-8 with an emphasis in Teaching English to Speakers of Other Languages and Mathematics last spring. <http://www.unm.edu/~market/cgi-bin/archives/002170.html#more>

IN A MOVE TO strengthen a partnership in public broadcasting that dates back to the mid-1950s and to reinvigorate ties between the two institutions, UNM President David J. Schmidly and Albuquerque Public Schools Superintendent Beth Everitt announced new appointments to the Board of Directors of KNME-TV. <http://www.unm.edu/~market/cgi-bin/archives/002168.html#more>

MARC INGBER, professor of mechanical engineering, has been appointed to direct the program for Particulate and Multiphase Processes within the Chemical, Biological, Environmental and Transport System Division of the Engineering Directorate of the National Science Foundation. <http://www.unm.edu/~market/cgi-bin/archives/002175.html#more>

INFORMATION TECHNOLOGY SERVICES has implemented new security measures on passwords at the University of New Mexico as part of its effort to continuously improve security on UNM computer accounts (NetIDs), UNM systems and computer information. <http://www.unm.edu/~market/cgi-bin/archives/002167.html#more>

JOIN THE UNM BOOKSTORE for Game Day Fridays this football season. For road games, save 25 percent on spirit merchandise. For home games, save 25 percent on all Lobo wear. See Your UNM Bookstore for details. New Mexico opens the season Saturday, Sept. 1 at UTEP. UNM's home opener is Saturday, Sept. 8 as the Rio Grande Rivalry heats up with New Mexico State making an appearance at University Stadium.

UNM WILL BE joining hundreds of other corporations and organizations throughout Albuquerque for the annual Juvenile Diabetes Research Foundation Walk To Cure

Diabetes. The family oriented event will be held Saturday, Sept. 15, at Balloon Fiesta Park. All proceeds from the event will support research vital to finding a cure for diabetes. <http://www.unm.edu/~market/cgi-bin/archives/002174.html#more>

ITALIAN ANTHROPOLOGIST Donatella Davanzo will present, “Anthropology of Space – Three Examples of Italian Spatial Use,” at a noon brown bag lecture Friday, Aug. 31 in room 118, School of Architecture and Planning.
