WHAT ARE THE ingredients and conditions nature needs to cook up sand dunes that croak, burp, sing and boom? How and why do certain sand dunes produce mysterious noises? Could New Mexico’s “White Sands” do that? And what exactly is the “Taos Hum?” Does it really exist? Find out Saturday, Sept. 15 from 10 a.m. to noon at the KNME Science Cafe 'Booming Sands, White Sands and the Taos Hum. The event will be held at the Explora Science Center in Albuquerque’s Old Town. Admission is free, but reservations are required. Call 224-8323 to RSVP.

UNM WILL JOIN hundreds of other corporations and organizations throughout Albuquerque for the annual Juvenile Diabetes Research Foundation Walk To Cure Diabetes. The family oriented event will be held Saturday, Sept. 15, at Balloon Fiesta Park. All proceeds from the event will support research vital to finding a cure for diabetes. <http://www.unm.edu/~market/cgi-bin/archives/002174.html#more>

CONSTRUCTION ON the intersection of Yale Blvd. and Camino de Salud on North Campus – roads that lead to University Hospital, Information Technology Services, Physics and Astronomy, and the Law School – will begin on Sept. 17. When the construction is completed, the area will be transformed into a “roundabout,” providing a smoother traffic flow through the stop-and-start intersection.
