During these sessions, students can receive guidance on databases, search methods, and Zotero. Sessions are open to all students and are free of charge. Appointment slots are broken out into 30 minute intervals. Once you book an appointment the Peer Information Partner will send you a link for the Zoom room. Appointments do not need to be booked in advance but in order to receive the Zoom link you do need to fill out the appointment form. You can find all available time slots and register for your appointment through the [Make an Appointment page](#).
