# GLOBAL HEALTH OUTREACH: ORGANIZING A BOOK DRIVE FOR MALAWI

Karen McElfresh, MSLS

Laura J. Hall, MFA

Patricia Repar, DMA

The University of New Mexico  
Health Sciences Library & Informatics  
Center

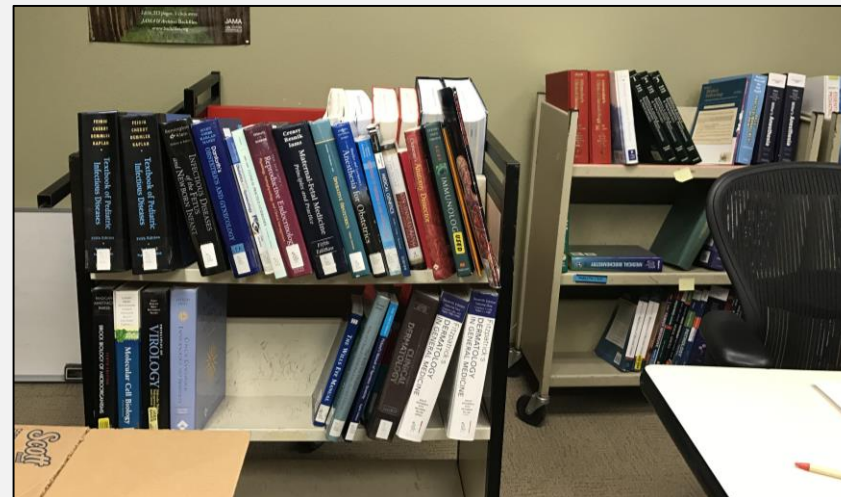

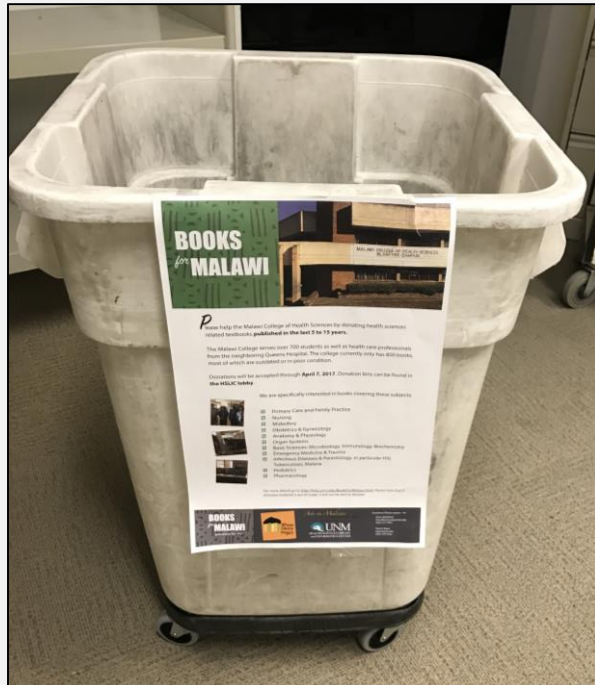

# MALAWI COLLEGE OF HEALTH SCIENCES

- Serves 700 students and health care professionals from neighboring hospital
- Library has about 800 books, many of which are outdated or in poor condition
- Worked with the charity African Library Project to coordinate book drive and arrange shipping to Malawi

# BOOK COLLECTING

- Collected books for 10 weeks (Feb – Apr 2017)
- Focused on primary care & nursing
- Published in last 5-10 years
- Excluded books not meeting criteria due to weight limitations

# PACKING & SHIPPING

- Sent 413 books total
- 2 pallets, combined weight of 1455 pounds
- Shipped via FedEx Freight
